DETAILS OF ICT ENABLED TOOLS USED FOR TEACHING AND LEARNING

List of ICT enabled tools:

1. Class room with LCD projector –

All classrooms are provided with LCD projector for projection of lectures. LCD projector which can be attached to desktop or laptop for routine lectures in the form of power point presentations. It can also be used for sharing patient related videos for clinical training as it reduces extra trouble given to patients for repeated demonstrations during clinical teaching.

2. Desktop and Laptop :

Each teacher has its own laptop. For further smooth working of subject related matters, three desktops are provided for teachers with attached printers. PG students have their own laptops for day to day work. Office has its own desktop, printer, scanner and photocopy facility.

3. Photocopier :

One photocopier machine used for students and teacher. Service available during working hours which ease their work to a great extent.

4. **Scanner :**

Apart from mobile scanner app, one scanner available in the office for the better quality paper work. It is accessed only by teacher and administrative staff for maintenance issue of these machine.
