STANDARD OPERATING PROCEDURES

Introduction of Incubation Centre:

The Innovations-Cum-Incubation Centre is instrumental in drawing up the innovation strategy power and in creating roadmaps/ action plans for the college.

The proposed incubation centre shall nurture innovation and encourages entrepreneurial talents among students, faculty and people of the region. It shall facilitate inter-disciplinary research and provides incubation facilities to startups and budding entrepreneurs.

Aim:

The major aim of this innovation and incubation centre is "To encourage the students and faculty members with innovative ideas and develop these ideas into commercial products and bridging demand-supply gaps."

Objectives:

The main Objectives of Incubation Centre

- Encourage students and faculty for innovation, idea generation and product development
- Innovations in business models along with products, services and delivery.
- Inclusive solutions for local, regional, national and global needs.
- Innovations in curriculum

Facilities:

- The facility is equipped with meeting rooms for the start-ups/visitors, a conference room is equipped with projector for audio/video conferencing facilities.
- Computer with high-speed internet and Wi-Fi
- It has the support facilities such as printing, photocopying and scanning.
- Access to research articles from several journals and books related to innovation and incubation centre.
- Library racks for placing Magazines
