Details of internal assessment examination:

SVJCT's Samarth Nursing College looks after the smooth functioning of continuous internal evaluations by preparing schedules of internal assessments as per the academic calendar and inform students well in advance. Guidelines are been followed strictly regarding preparation and printing of question paper. Question paper and answer sheets are been handed over to invigilator 15 mins before exam and when all the students have entered in exam hall/classroom.

Once the examinations are over, the answer sheets are handed over to the respective subject teacher for evaluation. Once the evaluation sheet is ready, students are been given the answer sheets for self evaluation and inform them regarding the marks. Signature of students is been taken on the evaluation sheets to note their acceptance of marks without any grievance.

The result is been displayed on notice board after the evaluation of the answersheets within a week. This helps students to analyse their performance in internal examinations and also help them to boost their efforts for university examination.
