### **Report On Haldi Kumkum (2020-2021)**

Samarth Nursing College with the collaboration of our parental BKL Walawalkar Hospital every year we are celebrating haldi kumkum ceremony at 05/02/2020. In this ceremony all of our nursing students and all female teaching faculties are participating. This are the below mentioned haldi kumkum gifts are guaranteed to be a hit at the ceremony.

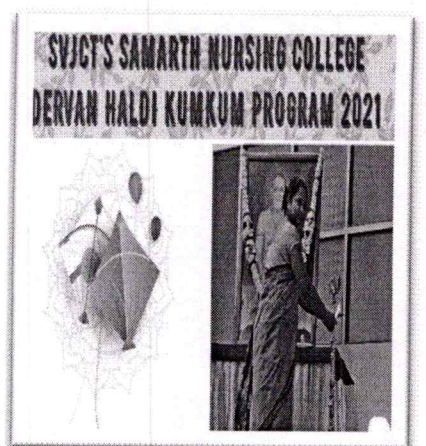

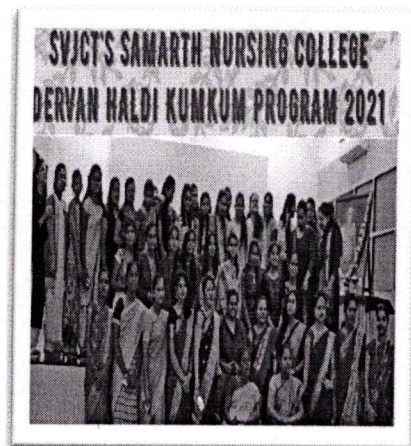

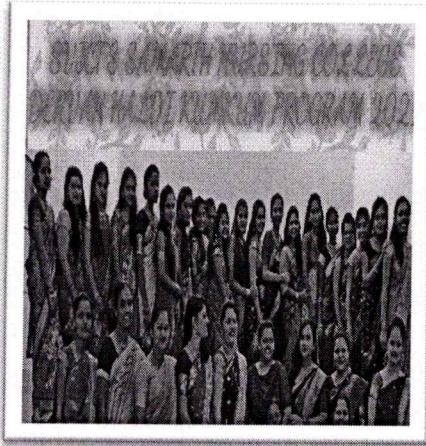

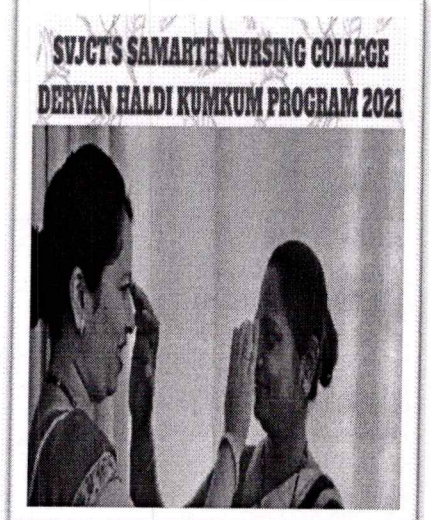

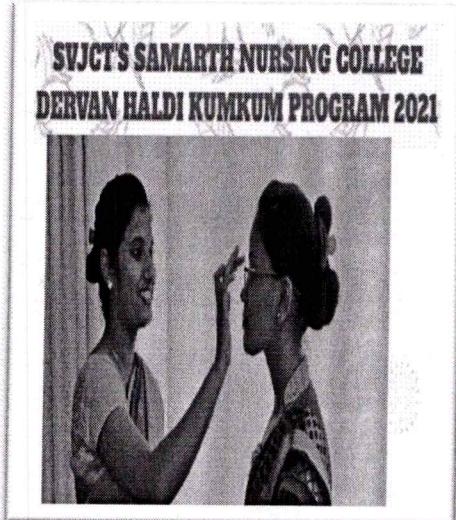

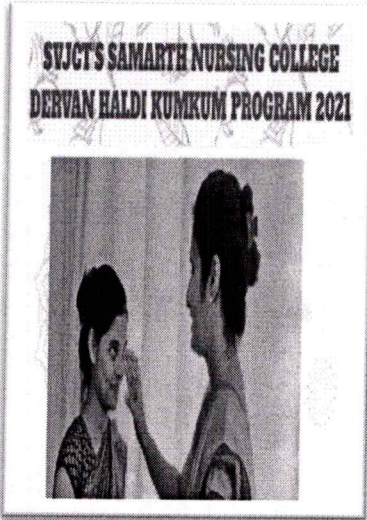

- ✦ Handmade Red Bangles.
- ✦ The Traditional Maharashtrian Nath.
- ✦ Pretty Handmade Coasters.
- ✦ Vintage Kumkum Boxes. ...
- ✦ The Quirky Sanitary Napkin Holder. ...
- ✦ The Mor Haldi Kumkum Plate. ...
- ✦ Handmade Colourful Potli. ...
- ✦ The Antique Majestic Holder.

Haldi Kumkum is a social festival of India. The festival is entertained by married women. The festival is more famous in Maharashtra and other western parts of India like Gujarat and Rajasthan. On the day of Haldi kumkum married women get along at one place and pray the God for long life of their respective husbands. The practice of Haldi Kumkum is said to have emerged during the Peshwa rule. While the men were busy fighting battles, the women did not get a chance to leave the house. So the ladies of the royal families would invite their married friends and shower them with expensive gifts like saris or jewelry.

Haldi Kumkum, or the Haldi Kumkum ceremony, is a social gathering in India in which married women exchange haldi (turmeric) and kumkum (vermilion powder), as a symbol of their married status and wishing for their husbands' long lives.

Kumkuma at temples is found in heaps. People dip their thumb into the heap and apply it on the forehead or between the eyebrows. In most of India, married women apply red kumkuma to the parting of their hair above their forehead every day as a symbol of marriage. This is called vermilion, or in Hindi, sindoor.

## *WORLD Environment Celebration 2020-21*

SVJCTs Samarth Nursing College celebrated World Environment Day on 05<sup>th</sup> June 2021. World Environment Day is the most important day for encouraging worldwide awareness and action for the protection of our environment. Since it began in 1974, it has grown to become a global platform for public outreach that is widely celebrated in over 100 countries.

The theme of Earth Day 2021 is to '**Ecosystem Restoration**'. . Ecosystem Restoration denotes assisting in the recovery of ecosystems that have been degraded by activities like pollution and deforestation. It focuses on adopting natural processes and emerging eco-friendly technologies that can restore ecosystems. And also focuses on resetting our relation with nature.

Our Principal, Vice Principal and all faculty involved in celebrating this world environment day. In this programme we have planted the new plants in the college campus, watering the plants. "Earth Day is symbolic of all that we are aiming to do to make this world a better place for future generations. We should celebrate this every day. Every day is Earth Day."

**Ecosystem Restoration** can also be promoted by conserving the ecosystems that are still intact. Now it is time to help nature heal by rewinding the earth. By healing the nature and ecosystem life – supporting functions they provide, including clean air, unpolluted water and healthy soils can be re-established.
