Ms. Jessey Jacob started with the first session where she delivered a talk on the significance of “Midwife Day”. In this session Ms. Jacob, briefly explained the origination of this day and the reason for the celebration of this day. Later Ms. Jacob also highlighted on the theme for 2024.

The second session was based on the theme- “Midwife: climate solution”, which was done by Ms. Nirmala Fernandes, who explained the reasons for climate changes, and the impact of these changes, on the health of not only the general community but even the vulnerable groups like kids, pregnant women and elderly people. Ms. Fernandes emphasized on the fact that midwives were a vital solution in adapting health systems to climatic changes and were often first respondents when climate disasters hit.
