Shri Vithalrao Joshi Charities Trust's, Samarth Nursing College was established in the year 2001 with 1 ½ year ANM course. In the year 2002, RGNM old course of three years duration was started. By keeping in mind the development of the society on all fronts, it was articulated that empowering women, making them self-sufficient and thus enabling them to live a life with respect is an important step in the development of the society. This vision has been made a reality by taking initiative to commence a course in Nursing in the vicinity of the hospital for the girls from Konkan region.

**Curriculum development:** The institute provides support for preparation of year plans (master rotation) for all the batches, schedules the institutional level examinations, class observations, student programmes, mentoring done by teachers to the students. As per the guidelines set by University, the Institute actively follows the curriculum which is given by INC for the smooth functioning.

**Teaching learning process:** The course outcomes are clearly stated in the syllabus. The institute has excellent library as a learning resource with good number of books and digital library. Slow/advanced learners are divided and proper action is taken. Seminars and conference are ongoing programmes for the students to keep them well informed and motivated.

**Examination and evaluation:** Institute is the Centre for the UG examination. As per the schedule of the examination by the MUHS, exams are conducted in the college as per the norms laid by the University. Institutional exam time table is prepared before the beginning of academics. Internal assessment marks are prepared and are displayed on the notice board after being verified by the students.

**Research and development:** The nursing students of both UG and PG are involved in research work as it is the requirement of the University. Every year number of students

providing wholesome and nutritious food. NEET is mandatory for admission of Basic BSc (N) program. Students need to fill the preference and then the admission process is completed.

### **Best practices-**

In Samarth Nursing College providing students with necessary support and guidance to gradually achieve more complex tasks, establishing safe and supportive learning environment.

**Physical activity** – Maintaining physical health is a crucial component of daily life. A nurse who prioritizes their own health is better equipped to serve as an effective instructor, mentor and guide.

**Outdoor learning-** outdoor learning represents a time honoured educational approach. In ancient times, when substantial infrastructure was lacking, education took place in open settings, facilitating learning in a natural context.

### **Staff Development**

Staff development help to teaching and non-teaching staff to develop their skill, knowledge and competencies. It also helps to update the knowledge and it can also be referred to as professional development. In Samarth Institute of Nursing college various professional staff development programs organized for teaching staff and Administrative training program organized for non-teaching staff.

### **Alumina**
